Any other business

- The holes in the field hedge were mentioned. Mrs. Lewin will contact the grounds people about what could be done.
- Some children are not walking on the terrace but going on to the grass. Mrs. Lewin will check this.
- We may need to replace the shed as it is difficult to close & lock.
- Marley was praised for often looking after a younger child.
- Young Leaders – they are waiting for the faulty jumpers to be returned. They are still starting games outside. We agreed that Young Leaders could go to the bottom yard at lunchtimes if they are helping the younger children to play games.
- William & Ava are putting equipment out on the bottom yard at lunchtimes because they are part of the PE team.
