3. Arrangements

3.1 Information and Communication

All staff inductions will include the school's security policy and will be recorded on the employees training profiles. Records of which are kept in the school's Risk Register.

These arrangements will be communicated to all third parties that use the premises and grounds. All will be expected to comply with the schools security arrangements as a condition of shared use of the building.

3.2 Controlled access and egress during the school day

Controlled access is a combination of measures to ensure that unauthorised visitors do not present an unacceptable risk to pupils or staff.

The extent of physical controls, such as fences, has been decided by a robust risk assessment of the likelihood of visitors presenting a risk and the reasonableness of the control measures needed to reduce this risk. **St. Mary's** has, through risk assessment, balanced the need to remain a welcoming environment to the community and safeguarding pupils.

Buildings

The school will take all reasonable efforts to restrict access to the building to prevent unauthorised access to children and ensure the personal safety of staff.

The access control procedures for the building are – (please complete with your own details, examples are given below)

- The main building has only single access entrance via reception desk. Only authorised visitors allowed access via main entrance porch & door bell.
- All doors except main entrance cannot be opened from the outside.

Grounds

The following parts of the school have been secured by means of physical restrictions such as fencing and electronic access control.

- Whole school site – fenced in on all sides by 6 foot fence.
- School field – gaps fenced in by 6 ft fence remainder is secured by a 5 ft hedge.

The following areas are accessible by the public but the risk is controlled with our school's supervision arrangements and how the school deals with visitors.

The access arrangements for the grounds are –

- School field – access to school field for PE – always under control of staff. Staff would professionally challenge any person not wearing a school visitor badge.
-

3.3 Early Years Outside Areas

As pupils require access to the outside areas at all times the governors have ensured that a secure outside area has been provided that has a suitable perimeter fence at least 4ft high. This has fixings that prevent an early years pupil opening the gate to exit this area without adult supervision.

Where this area is adjacent to where members of the public have unsupervised access consideration has been given to improved fencing where required. The extent of fences will be decided by risk assessment.

3.4 Control of Visitors

The control of visitors is a fundamental part of our school's security policy for the safeguarding of both people and property.

Our policy is that –

- All visitors report to the reception desk on arrival.
- All visitors are issued with a badge to be worn at all times. This includes parents, helpers, contractors, LA staff and any other person that is not school staff.
- Any person on site without a badge will be asked to accompany a member of staff to the reception desk or asked to leave the site.
- Any refusal will be reported immediately to the Head Teacher. Any aggression will be reported to the police.
- Visitors will not remove any items of school property without the express permission of school staff.
- For their own safety any authorised visitors will be given appropriate information on the school's health & safety procedures such as parking, fire safety and first aid.

3.5 Supervision of pupils

The school's overall safeguarding strategy requires that at times the security of pupils is achieved by competent supervision by authorised school staff.

Locations where supervision is part of our safeguarding procedures –

- Crossing public track to reach the school field. Children are always supervised in this area and visitors challenged. As communication is not easily possible whilst on the field, staff will ensure that someone in school knows where they are, and what time they are expected to return. Early Years staff will always be in pairs.
- The gate will remain closed at all times. KS2 children return to school in pairs, eg. Toileting needs etc.

Times of the day when supervision is part of our safeguarding procedures –

- Start of school day – as all the gates are open to allow access this area is supervised 8.45am to 9.00am. Parents have been informed of these arrangements and that supervision does not start till 8.45am.
- After school sports clubs on the field – all parts of the school site without access control are supervised.

Our security arrangements also include the handover arrangements for the start and end of the school day.

- Drop off procedures – any deliveries will be dropped off via the main entrance except kitchen deliveries which will be dropped off at the school kitchen, whose door will remain locked at all other times.
- Collection procedures - any collections will be collected via the main entrance except kitchen deliveries which will be collected at the school kitchen, whose door will remain locked at all other times.
- At times when the Local Authority grounds staff are on site, children will remain indoors until their

work is complete.

3.6 Cooperation with third parties, extended services and community groups

Our school security arrangements have taken into account any other third parties that use the school building or grounds. In most circumstances the arrangements for the school in general will be equally applicable for the third parties involved. Below are the additional security measures that apply to the groups listed.

Breakfast Club – is run by school & all security procedures apply, but it does mean that school is opened at 8.00am. Breakfast club supervise access to school via main school entrance with door bell and know not to allow visitors into the rest of the school building.

3.7 Supervision of contractors

Contractors and maintenance personnel will not always have been DBS checked as they should not have unsupervised access to children. They will therefore be controlled as follows –

- All will be given school badges and be expected to wear them.
- They will only park where authorised to do so.
- Will only carry out work agreed at the start of the contract and at the times agreed.
- Will be supervised at all times by school staff. This does not mean watched continuously but in a way proportionate to their location and proximity to unsupervised children.

3.8 Lone Workers

Our school has Lone Working Risk Assessments for staff where there is a security risk due to the need to work alone.

3.9 Physical security measures

The governing body has considered the need to use physical measures such as fencing and electronic access controls to ensure the safety of staff and pupils. The governors will review the provision of physical security measures on a regular basis in the form of a security risk assessment.

The risk assessment will take into account –

- The location and layout of the school
- Past incidents related to security
- The performance of other security measures already in place or that could be implemented.
- The cost of physical security improvements and the availability of funding.

Where justified by consideration of the risk governors will ensure that physical security measures are installed. Where physical controls are not justified the governing body will ensure that other controls are implemented by the school to ensure the safety of staff and pupils.

Where electronic controls are installed, for example alarm systems, they will be maintained as recommended by the manufacturer.

3.11 CCTV

The CCTV system is part of our security procedures. The system has the ability to record incidents to enable evidence to be presented to the appropriate authorities. Signage throughout school informs people of this.

3.14 Personal Property

Personal property will remain the responsibility of its owner. This includes both staff and pupil personal property. Both are discouraged from bringing to school any valuable personal property.

Lost property should be handed to the school office where it will be kept for 6 months before disposal.

3.15 Medicines

There are occasions when pupils may be prescribed treatment where medicines are needed during school time. Parents will provide such medicines in suitable and labelled containers. These containers will be locked in the schools medicine cabinet in the PPA room. The key is available from the key cabinet.

Arrangements for the administration of medicines are detailed in the medication in school policy.
