

School Council Minutes

6th April, 2017

Children – Paddy, Leo, Holly, Ellie, Josh, William, Marley, James, Isabella and Lucie.

Mrs. Lewin

Welcome- we started with a prayer.

School Accessibility – children agreed with the plan and that our school is as accessible as possible. It is good that we have ear defenders for children who have sensitive hearing. We all need to make sure that there are no tripping hazards.

SNAG Meeting – Mrs. Lewin informed us that we will be meeting with the catering company for school dinners on the 19th May to discuss our views on school dinners.

CAFOD World Gift Choices – Mrs. Lewin brought the cards of our gift choices that have arrived. It was agreed to show these to all of the children in assembly and to ask Mrs. Key to add them to the world village board.

Any other business

- More footballs, basketballs and tennis balls are needed for playtime.
- The tyres need hosing down please.
- Everyone is very pleased with the basketball hoops.
- Mrs. Lewin to remind younger children not to play with sticks in assembly.
