Uniform Policy

“You are unique, talented and loved by God”.

St. Mary’s Primary School offers a distinctive Catholic education within a caring, welcoming, Christian community, where everyone can feel valued, confident, and secure; and have the opportunity to reach their full potential. We believe that each person is unique, talented, and loved by God. All pupils should be given opportunities to “shine.”

By working in partnership with parents, parish, and the community, we aim to create a challenging, stimulating and effective learning environment, where Christ is our inspiration.

Guidance

The school has used the DfE guidance on school uniform in the setting of this policy.

‘School uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone. The Department of Education strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils. We also encourage schools to have a very clear position about appearance such as hair colour, style and length and the wearing of jewellery and makeup.’

All students are expected to wear school uniform at all times. It is designed to be comfortable, attractive and practical. We believe having a school uniform avoids competitive dressing and helps to set the tone of the school. Uniform is a key aspect of creating a purposeful learning environment to allow students to work and realise their full potential.

As parents and carers we would like to thank you for your continued support in ensuring that high standards are reached. When purchasing new shoes, skirts or trousers please ensure that they conform to school policy.

Aims and Objectives

Our policy for school uniform is based on the notion that school uniform:

- Promotes a sense of pride in the school
- Engenders a sense of community and belonging towards the school
- Is practical and smart
- Makes children feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and is considered by parents as good value for money
- Is designed with health and safety in mind.
