

Class 3 Newsletter

Spring Term 2024-25

Maths

In Maths this half term we have worked on the topic of Fractions. Next half term we will be looking at Decimals, Percentages and then Perimeter, Area and Volume.

Science

In Science this term we are focusing on Earth and Space and then Animals including Humans.

Geography & History

In the first half term, we are learning about Anglo Saxons in the local area. In History and then in the second half term we will swap to Geography, to learn about North America.

Computing

This term class 3 will be creating E-Books.

Art and Design Technology

This half term we have been looking at Portraits and the use of single line portraits, based on the work of Boris Schmitz. Next half term, we will be developing our painting skills.

Key messages and Homework

Children will receive Maths, Reading and English based homework every week. Children should also access TT Rockstars as part of their homework.

Accelerated Reader Books are sent home each day, so children can read to an adult or independently.

The books must return to school every day.

Class 3 PE days will be Monday and Thursday until half term. After February half term, we will be going swimming (on a Thursday afternoon, to Shotton Swimming Pool, please find more information on the separate letter sent out).

Year 6 SATs Booster is afterschool on Mondays every week (unless advised differently) Starting Monday 17th February 2025.

English

In English we will be using the information we have learnt about Lindisfarne to create an information text to give facts about the geography, history and culture of Lindisfarne. We will also be creating a biography based on "Rise Up".

Religious Education

In class 3 this term we will be focusing on the topics of:

- Missions
- Memorial Sacrifices
- Sacrifices

Physical Education

This first half term, we will be working on skills for Basketball and Football. Next half term we will be developing our skills in Dance and also going Swimming (please see the letter sent out for more information).

Spanish

In Spanish we will begin the topic of Health, where we will be learning to speak, write and read about Food and Drink, giving advice about leading a healthy lifestyle and explaining which body part hurts all in Spanish.

Music

For Music this term, we will be covering Key and Time signatures.
