

SCHOOL NEWSLETTER MARCH 2025

ST. MARY'S CATHOLIC PRIMARY SCHOOL

"You must shine among them like stars lighting up the sky."

IMPORTANT PLEASE READ Arbor Parent Portal

From April we will no longer be using Teachers2Parents to send out text message and emails to families.

Emails have been sent to Primary Guardians asking them to set up the Arbor Parent Portal so that they can receive In-app messages and emails from school. If you have not done so already, please set up the app to ensure you receive communications from school:

To creating your account, you just need to set a password. You can do this by going to <https://st-marys-catholic-primary-school-wingate.uk.arbor.sc/> clicking on 'Forgotten Password?' and following the instructions on screen. Your username is the email address school sent the email to.

If you have not received an email about setting access up or would like assistance with this process, please contact the school office.

BREAKFAST CLUB BOOKING

To ensure the efficient running of the provision, where possible, can parents / carers please pre-book their children into breakfast club the week before.

We appreciate this is not always possible and emergencies can happen so in this instance please try to call / email the school for assistance. If it happens and your child needs to attend that day please bring your child and explain to staff at the door.

PANCAKE FLIP

Thank you to everyone who sponsored the children in the Pancake Flip.

The Children had lots of fun and the overall total raised was £561.00.

ATTENDANCE UPDATE – Current overall attendance is currently 94.37%.

In line with our policy, parents will be receiving updates next week if their child's attendance is lower than 92%.

PLEASE HELP TO KEEP OUR CHILDREN SAFE

Parking and moving of vehicles at Drop-off and Pick-up Time

Can all parents, carers and people who are dropping off & collecting children from school please ensure they park in the correct place.

Can they also ensure that they take care whilst parking and leaving the car park areas to ensure that accidents or near misses are avoided. Thank you.
